When Only the Best Will Do...

Antebellum Manufacturing, LLC. is a manufacturing company composed of partners and associates dedicated to providing the best quality service and best quality products in the Aluminum Fence, Gate and Rail Market.

Our manufacturing facility is family-owned and locally operated. We stand behind our products and are proud to offer our customers the highest-quality American-made aluminum fencing, gates and rails.

> **“Antebellum Fence is by far the strongest and easiest to install aluminum fence we have ever used.”**
>
> **— C. Roberts**

An Antebellum fence will enhance the appearance of your property and provide personal security as well.

Antebellum Fence is used on residential, commercial and industrial applications.

Due to several sizes and upgrade options, our customers can design a fence that is unique and enhances their property according to their individual style.

Upgrades

Antebellum upgrades include but are not limited to:

- Triad Finials
- Quad Finials
- Fleur De Lis Finials
- Rings
- Butterfly Scrolls
- Modern Post Caps
- Ball Caps
- and More

Antebellum decorative aluminum fences are pre-treated and powder-coated. Customize your fence with our beautiful options such as scrolls, rings and finials.

Antebellum is the leading choice for many high-profile projects requiring security and style.

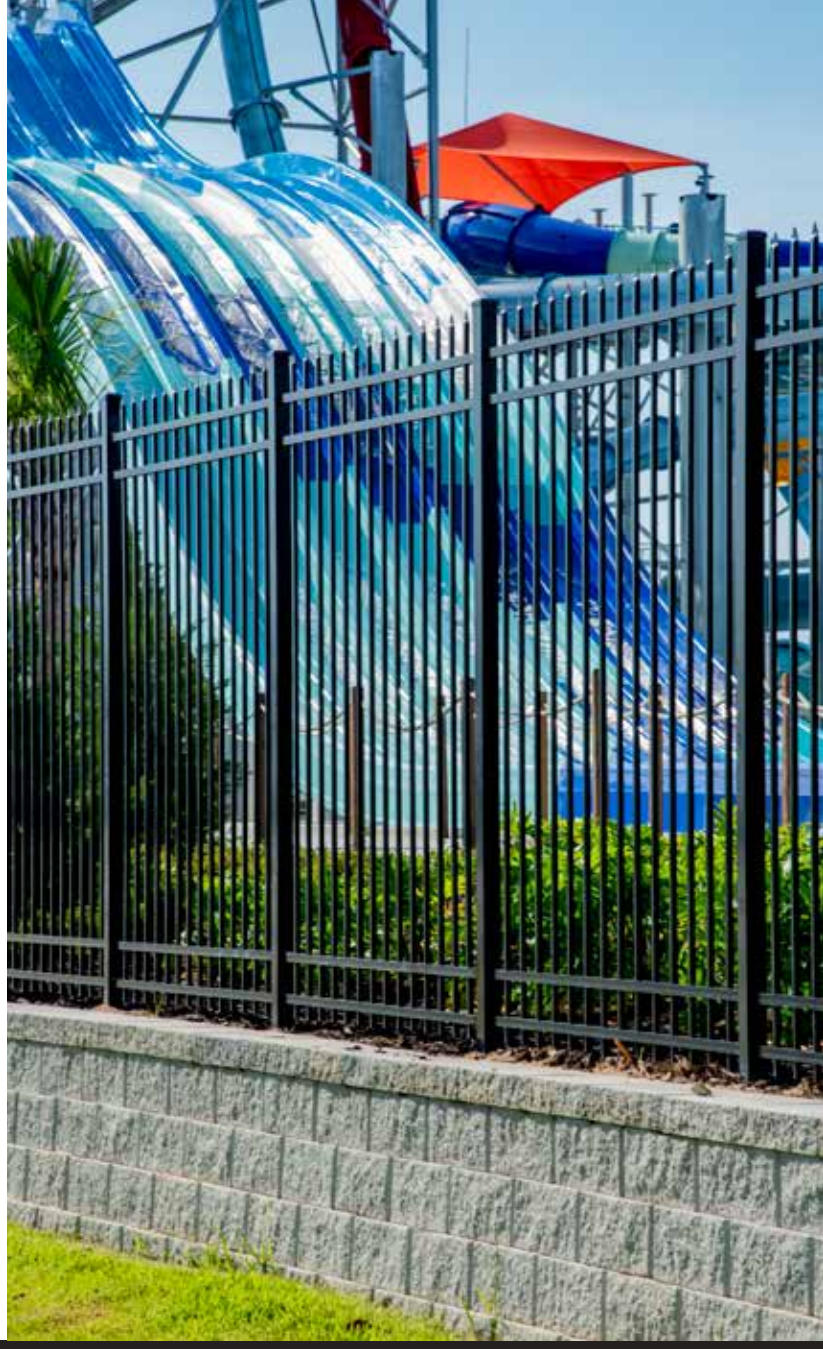
Security, Quality and Style

Antebellum provides the products of choice for many high-use, high-profile commercial projects due to our consistency in quality and results.

Our products have stood the test of time in many high-use projects by standing up to the rigors of large crowds and intense use.

High-use projects include but are not limited to:

- College Campuses
- Schools
- Baseball and Football Stadiums
- Water Parks
- Amusement Parks
- Hospitals
- Homeowner Associations
- Apartment Complexes
- And More



Whether you are using our products in your back yard or a college baseball stadium, you can be sure that Antebellum is the right choice for you.

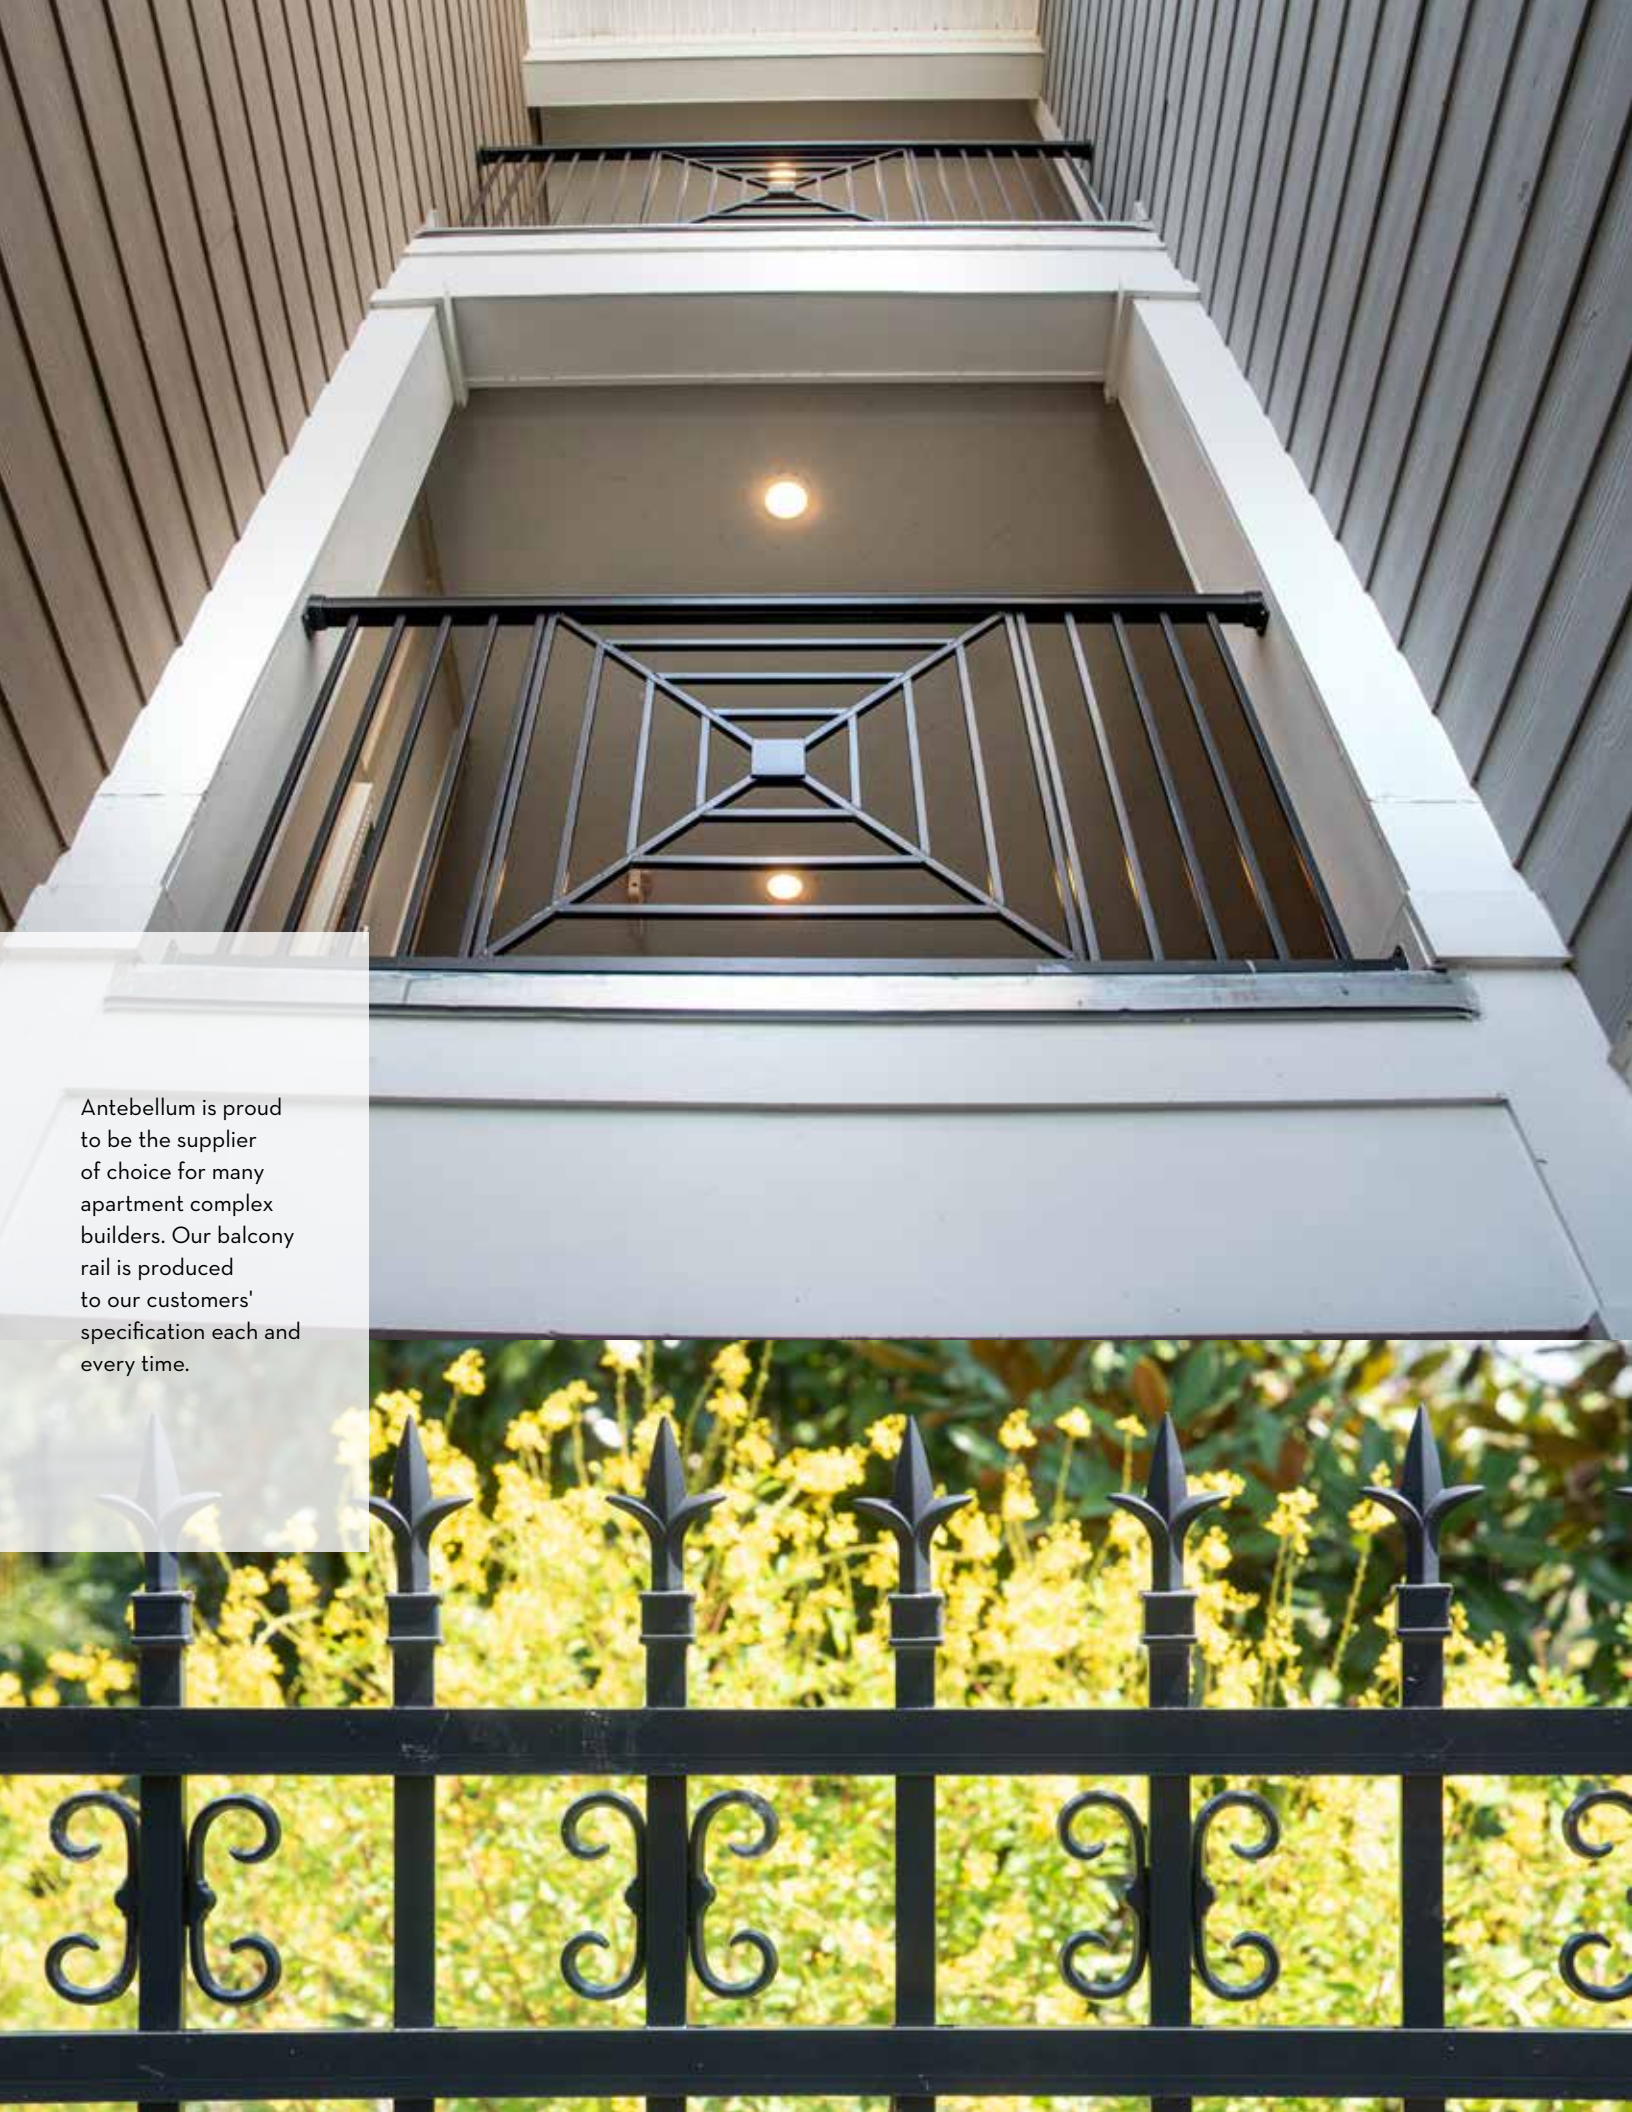
Antebellum is proud to have been chosen by schools, several water and amusement parks, and community pools to provide security gates that keep children safe.

Our fence styles are named after our kids, so you can be sure that we take as much pride in your fence as you will.

Antebellum produces gates for any application.

- Drive Gates
- Walk Gates
- Security Panic Gates
- And more

Our gates can be manufactured in any of our styles and grades. We offer our gates in double gates, single gates, v-track gates and cantilever gates.



Antebellum is proud to be the supplier of choice for many apartment complex builders. Our balcony rail is produced to our customers' specification each and every time.

We have the right fence for you

Antebellum prides itself on creating a family atmosphere so that we can attract and keep the best people in the industry. We recognize that it is the strength and loyalty of our customers which makes us successful. We understand that the best way to serve our customers is to have the best people in the industry serving them.

> **“An amazing company. Truly awesome people producing excellent-quality fences.”**
>
> **– Charles Dorrity**

No two fences are the same

Every property has its unique characteristics and challenges, and overcoming these issues is what we do best. Even when the situation requires a more artistic approach, we are here to help. Whether you are a homeowner, homeowners association, government or industrial customer, we strive to find the right solution for you.

The Advantage of Aluminum

Everything counts when it comes to fencing. For our fences, we rely on the inner strength of aluminum alloys to provide the strength and durability our discerning customers deserve. Aluminum does not rust and therefore drastically reduces the cost of maintenance over iron that rusts, wood that rots, and vinyl that becomes brittle and cracks.

Antebellum fences are built to last, using only the finest material and craftsmanship. We stand behind our work.

Grades

Residential
Channels: 1" x 1" x .072" sidewall
Pickets: 5/8" x 5/8" x .045"
